Funding can be used in a number of different ways to help towards nursery costs.

As every family has their own requirements there is no universal nursery fee at Bubbles Nurseries which encompasses all of the variations that we offer including the funded hours.

Please note: Government funding is not intended to cover the costs of meals, other consumables, additional hours or additional services.

Funding – Full Year or Term time.

Bubbles Nurseries will only be able to claim funding once parents complete and sign a parent declaration giving us permission to claim the funding on their behalf.
